**Special Hearing for Mi Comisariato Inc. 140 Main Street, Suite 7**

At the Board of Health (BOH) meeting on October 23, 2023, the owners of Mi Comisariato Inc. and their representative were brought before the board for a hearing on the suspension and/or revocation of their retail food permit. During the hearing the violations over the last three years were presented. This constitutes a violation of *105 CMR 590.014 (C) () (a) Serious or repeated violations of any requirement of 105 CMR 590.000*. Due to this a motion was then made by BOH member Paul Mazzuchelli and seconded by Kenneth C. Evans and passed unanimously to suspend the retail food permit for Mi Comisariato Inc. effective October 24, 2023. The suspension shall last until such a time as they have obtained both a Food Manager Certification and an Allergen Awareness Certification. The individual that obtains these certifications must do so in compliance with *105 CMR 590.002 Management and Personnel*. Once these certifications have been obtained, Mi Comisariato Inc. may request a hearing in front of the Board of Health for the reinstatement of their retail food permit.

Meeting adjourned at 3:28 PM  
Minutes respectfully submitted by Joan Clarico, minute clerk.
