7. ADMINISTRATOR'S REPORT – December 18, 2023

A. Birch Street Fire Station Lighting Project- Fire Chief Mark Nelson has informed me the Birch Street Fire Station Lighting Project has been completed. Both the interior and exterior lighting is much brighter and the Town will be expecting a decrease in the electricity cost.

C. Replacement of Fire House Hose- I want to thank State Representative Brian Murray for securing an Earmark for the Town of Milford in the amount of \$35,000.00 for the purchase of replacement fire hose for the Fire Department. We are most appreciative of Brian's efforts on behalf of the Town.
